## The Homer Fitts Company

## Paying for a Reputation!

"Why pay for the reputation that any article has?" say some purchasers.

Because the reputation that his trade-mark has is the most valuable asset of many a manufacturer. He can't afford to risk that reputation by selling you inferior goods. That's why we handle the Kodak line in our photographic department. The Kodak company cannot afford to put out an inferior article.

We sell KODAK FILM exclusively because it is properly orthochromatic—because it is the dependable film. Greatest speed, greatest certainty of good results.

We have the size to fit your camera.
